*for asamisimasa*

# ...without...

**GUITAR** *(amp volume "normal" playing level but amp is OFF, all volume knobs and pedals off)*: sit in chair, feet flat on ground; wrap cable through strap from behind and leave hanging freely; move PICKUP switch to neck; reach over with LH to your right side to the guitar amp ON-switch; **HOLD...**

**PIANO:** standing between bench and keyboard; hands resting on keylid and piano frame, right foot positioned to be able to pedal.

**DRUMSET:** sitting at set, drumsticks in hand, HiHat held tightly closed with foot.
